

BABIN SAVELII

21 February 1999 babin@polly.phys.msu.ru
Gender: Male +79858585224
Nationality: Russian Russia, Moscow

RESEARCH SKILLS

2016 – now

B. Sc. in Physics, Lomonosov Moscow State University, Russia (GPA 4.52 / 5.0)
Speciality: Polymer and Crystal Physics

RESEARCH EXPERIENCE

2018 – now

Internship, Laboratory of Frontier Carbon Materials, Faculty of Physics, Lomonosov Moscow State University, Russia

Studying methods of synthesis such materials as graphene, nanotubes, nanographite films, etc.

Result: Course work «Plasmachemical deposition of nanographite films on the heatproof materials», May 2018

RESEARCH SKILLS

Synthesis materials

Chemical Vapor Deposition

Programming

C/C++, Python, had practice in machine learning

LANGUAGES

Russian:

Native

English:

B2, Upper Intermediate, EF certificate dated February 2018

TEACHING EXPERIENCE

2018 – now

Math and physics tutoring

HOBBIES

2018 – now

Blogging about independent cinema: Telegram «Киносаванна»

2016 – now

Orchestra of folk instruments, domra
