

European Centre for Nanostructured Polymers

7th International Conference

NANOSTRUCTURED POLYMERS AND NANOCOMPOSITES

April 24 - 27, 2012
Prague, Czech Republic

First circular and Call for papers

In conjunction with the **ECNP** events:
5th Young Scientist Conference
9th ECNP Short Course

CONFERENCE TOPICS

Conference covers polymer science from fundamentals to applications: Synthesis of polymers, polymer architecture, processing, theory and characterization, interfaces, supramolecular chemistry.

- Polymer networks and gels
- Polymer nanocomposites for biomedical application
- Stimuli responsive polymers for optoelectronics, sensing and actuators
- Conductive polymers
- Polymer materials from renewable resources
- Nanofillers: carbon nanotubes, graphene and nanofibres
- Nanostructured coatings and adhesives
- Advanced characterization techniques
- Mathematical modelling of processes and properties

INVITED PLENARY SPEAKERS

Filip Du Prez (Ghent University, Belgium): "Functional nanostructured polymer materials by novel modular strategies"

Danilo De Rossi (University of Pisa, Italy): "Polymer sensors and actuators for Bioengineering and Robotics"

Anthony J. Ryan (The University of Sheffield, United Kingdom): "Motility - moving particles across barriers"

INTERNATIONAL SCIENTIFIC BOARD

L. Berglund, KTH - Royal Institute of Technology, Stockholm, Sweden, **G. Camino**, INSTM - Turin Polytechnic, Italy, **W. Cook**, Monash University, Australia, **P. Dubois**, Mons University, Belgium, **C. Galiotis**, FORTH, Patras, Greece, **J. F. Gerard**, IMP Lyon, France, **E. P. Giannelis**, Cornell University, USA, **H. Hansson**, SWEREA Sicomp, Sweden, **A. R. Khokhlov**, Russian Acad Sci, Moscow, Russia, **E. Kumacheva**, University of Toronto, Canada, **I. Mondragon**, UPV-EHU, Spain, **M. Narkis**, Technion, Israel, **R. Turcu**, NIRDIMT, Romania, **J. Ulanski**, Technical University of Lodz, Poland, **J. L. Viviente**, INASMET, Spain, **B. Voit**, Leibniz IPF Dresden, Germany, **J. Vohlidal**, Charles University, Prague, Czech Republic, **R. J. J. Williams**, INTEMA, Argentina, **M. Žigon**, N.I.C., Slovenia

CHAIRPERSONS

Jiří Pflieger, Miroslava Dušková

Institute of Macromolecular Chemistry, Academy of Sciences
of the Czech Republic (IMC)

José M. Kenny

The Spanish National Research Council - CSIC, Spain

HONORARY CHAIRMAN

Karel Dušek, IMC

LOCAL SCIENTIFIC BOARD

D. Horák, L. Matějka, S. Nešpůrek, F. Rypáček, J. Stejskal,

P. Štěpánek, IMC

VENUE

The Conference will take place at the *Conference Centre U Hájků,*
Na Poříčí 42, Prague

DEADLINES

January 21, 2012: abstract submission and preliminary registration

February 7, 2012: notification of acceptance of papers

March 1, 2012: registration at reduced rate

PUBLICATION

Papers presented at the ECNP 2012 conference will be considered for the
publication in the international scientific journal:

Journal of Nanostructured Polymers & Nanocomposites (www.jnnpn.org)

REGISTRATION

Registration and payment until March 1, 2012:

Participants: CZK 10800

Students and young researchers (up to 2 years after PhD): CZK 6250

Registration and payment after March 1, 2012:

Participants: CZK 12000

Students and young researchers (up to 2 years after PhD): CZK 7500

The conference fee covers:

- admission to all conference sessions
- welcome reception, lunches, coffee breaks and conference banquet
- conference materials including book of abstracts

Students and young researchers participating in all three concurrent
events organized during the week April 23 - 27, 2012 - Young
Researchers Conference, ECNP Short Course, and 7th ECNP Conference
– should pay a reduced total registration fee of CZK 9500 (CZK 12000
after March 1, 2012).

Actual exchange rate is 25 CZK / 1 EUR
