

Second Announcement  
**MOLMAT2008**  
International Symposium on Molecular Materials  
Chemistry, Solid State Physics, Theory, Nanotechnology  
From Molecule to Molecular Device  
Toulouse, July 8-11<sup>th</sup> 2008

### Scope

The MOLMAT Symposium aim is to gather different research topics from Synthesis to Solid State Physics, Nanotechnology and Theory of Molecular Materials.

### Topics

NanoElectronics, OptoElectronics  
Molecular Magnetism, Photo-Magnetism  
Switchable Molecular Materials  
Thin films and Nano-Structures  
Conducting Molecular Materials  
Dielectric Properties  
Non-linear Optics  
Liquid Crystals  
Luminescence and Electroluminescence  
Statistical and Quantum Theories

### Scientific Program

The program consists of invited oral contributions, and shorter oral presentations selected from the contributed abstracts (submitted before 28<sup>th</sup> March) and a large number of posters. The symposium starts at 2 pm on Tuesday July 8<sup>th</sup> and ends 12 am on Friday July 11<sup>th</sup> 2008. Time is reserved for informal discussions in order to stimulate the interaction between the participants.

### Invited Speakers

Didier Astruc (LCOO, Bordeaux, France)  
Bernard Barbara (Lab. Louis Néel, Grenoble, France)  
Jean-Philippe Bourgoin (CEA Saclay, France)  
Albert Fert (CNRS/THALES, France)  
Bertrand Georgeot (LPT/IRSAMC, Univ. Toulouse III, France)  
Andreas Hauser (Université de Genève, Switzerland)  
Wolfgang Knoll (Max Plank Institut, Mainz, Germany)  
Seiji Miyashita (University of Tokyo, Tokyo, Japan)  
Frank Neese (Universität Bonn, Bonn, Germany)  
Koichiro Tanaka (University of Kyoto, Kyoto, Japan)  
Michel Verdaguer (Université Pierre et Marie Curie, Paris, France)  
Heiko Wolf (IBM Zürich, Switzerland)

### REGISTRATION and ABSTRACT SUBMISSION ARE NOW OPEN

<http://www.lcc-toulouse.fr/molmat2008/>

**FEES** including 3 lunches and banquet (accommodation not included):  
150 € (normal fee), 100 € (student fee)

The **DEADLINE** for registration and abstract submission is  
Friday, March 28<sup>th</sup>

### Organizing committee

Azzedine Bousseksou (Chair, LCC)  
Philippe Demont (CIRIMAT)  
Dominique de Caro (LCC)  
Christophe Faulmann (LCC)  
Michel Goiran (LNCMP)  
Nathalie Guihéry (IRSAMC)  
Isabelle Malfant (LCC)  
Gabor Molnar (LCC)  
Marc Respaud (INSA)  
Lionel Salmon (LCC)  
Christophe Vieu (LAAS)

### Communication

Isabelle Sasaki ([sasaki@lcc-toulouse.fr](mailto:sasaki@lcc-toulouse.fr))

### Contact

e-mail : [molmat2008@lcc-toulouse.fr](mailto:molmat2008@lcc-toulouse.fr)

### Website :

<http://www.lcc-toulouse.fr/molmat2008/index.html>

### Location

The Symposium will be held at University  
Paul Sabatier - Toulouse III  
(campus de Rangueil, Toulouse)

LCPQ  
IRSAMC
